Welcome

Oxford's park&ride is the easiest way to get into Oxford City Centre by car. Simply leave your car at one of the five park&ride sites located around the city and enjoy a quick and stress-free journey into the City Centre on our diesel-electric hybrid buses.

Fast & more frequent park&ride

We've increased the frequency of buses to and from the Seacourt, Thornhill and Water Eaton park&ride sites. This is in addition to the 10 minute frequency to and from Pear Tree and Redbridge car parks.

With such a frequent bus service from all of the five park&ride sites and with bus lanes into the City Centre along every route, getting in to Oxford couldn't be quicker.

Keeping our city low-carbon

We use diesel-electric hybrid buses on all of our park&ride routes. This means that when you leave your car at one of the five park&ride sites around the city and travel in on the bus, in addition to reducing traffic congestion, you will be making a major contribution to keeping Oxford's air clean.
Stay Late
We operate until late in the evening on Mondays to Saturdays back to all park&ride sites. See the individual timetables for further details.
